Legend

- Milestones in the life of Abraham
- All ages are based on Genesis 11-25, Acts 7 & Romans 4.
- Points on time line are approximate, except where specified in brackets.
- Numbers in square brackets signifies age of person.
- Based on Stephen's comments in Acts 7:4, Gen 11:26 is interpreted to not describe triplets and the order of Terah's sons is non-chronological. Abraham was born when Terah is 130.
